FREEDMEN'S BUREAU PRESERVATION PROJECT**

This National Archives microfilm publication is part of a multiyear project to microfilm the field office records of the Bureau of Refugees, Freedmen, and Abandoned Lands (Freedmen's Bureau). The project was made possible by the United States Congress through The Freedmen's Bureau Records Preservation Act of 2000 (Public Law 106-444). When completed, all of the field records for the States of Alabama, Arkansas, Delaware, Florida, Georgia, Kentucky, Louisiana, Maryland, Mississippi, Missouri, North Carolina, South Carolina, Tennessee, Texas, Virginia, and for the District of Columbia will be available on microfilm. For microfilm availability and description, view both the microfilm catalog *Black Studies: A Select Catalog of National Archives Microfilm Publications* and the National Archives microfilm locator on our web site at www.archives.gov.

INTRODUCTION

On the 133 rolls of this microfilm publication, M1904, are reproduced the records of the Kentucky headquarters for the Assistant Commissioner and his staff officers and the subordinate field offices of the Bureau of Refugees, Freedmen, and Abandoned Lands, 1865-1872. These records consist of bound volumes and unbound records, containing materials that include letters sent and received, monthly reports, registers of complaints, labor contracts, and other records relating to freedmen's claims and bounty payments. These records are part of the Records of the Bureau of Refugees, Freedmen, and Abandoned Lands, Record Group (RG) 105.

HISTORY AND ORGANIZATION

The Bureau of Refugees, Freedmen, and Abandoned Lands, also known as the Freedmen's Bureau, was established in the War Department by an act of Congress on March 3, 1865 (13 Stat. 507). The life of the Bureau was extended twice by acts of July 16, 1866 (14 Stat. 173), and July 6, 1868 (15 Stat. 83). The Bureau was responsible for the supervision and management of all matters relating to refugees and freedmen, and of lands abandoned or seized during the Civil War. In May 1865, President Andrew Johnson appointed Maj. Gen. Oliver Otis Howard as Commissioner of the Bureau, and Howard served in that position until June 30, 1872, when activities of the Bureau were terminated in accordance with an act of June 10, 1872 (17 Stat. 366). While a major part of the Bureau's early activities involved the supervision of abandoned and confiscated property, its mission was to provide relief and help freedmen become self-sufficient. Bureau officials issued rations and clothing, operated hospitals and refugee camps, and supervised labor contracts. In addition, the Bureau managed apprenticeship disputes and complaints, assisted benevolent societies in the establishment of schools, helped freedmen in legalizing marriages entered into during slavery, and provided transportation to refugees and freedmen who were attempting to reunite with their family or relocate to other parts of the country. The Bureau also helped black soldiers, sailors, and their heirs collect bounty claims, pensions, and back pay.

The act of March 3, 1865, authorized the appointment of Assistant Commissioners to aid the Commissioner in supervising the work of the Bureau in the former Confederate states, the border states, and the District of Columbia. While the work performed by Assistant Commissioners in each state was similar, the organizational structure of staff officers varied from state to state. At various times, the staff could consist of a superintendent of education, an assistant adjutant general, an assistant inspector general, a disbursing officer, a chief medical officer, a chief quartermaster, and a commissary of subsistence. Subordinate to these officers were the assistant superintendents, or subassistant commissioners as they later became known, who commanded the subdistricts.

The Assistant Commissioner corresponded extensively with both his superior in the

Washington Bureau headquarters and his subordinate officers in the subdistricts. Based upon reports submitted to him by the subassistant commissioners and other subordinate staff officers, he prepared reports that he sent to the Commissioner concerning Bureau activities in areas under his jurisdiction. The Assistant Commissioner also received letters from freedmen, local white citizens, state officials, and other non-Bureau personnel. These letters varied in nature from complaints to applications for jobs in the Bureau. Because the assistant adjutant general handled much of the mail for the Assistant Commissioner's office, it was often addressed to him instead of to the Assistant Commissioner.

In a circular issued by Commissioner Howard in July 1865, the Assistant Commissioners were instructed to designate one officer in each state to serve as "general Superintendents of Schools." These officials were to "take cognizance of all that is being done to educate refugees and freedmen, secure proper protection to schools and teachers, promote method and efficiency, correspond with the benevolent agencies which are supplying his field, and aid the Assistant Commissioner in making his required reports." In October 1865, a degree of centralized control was established over Bureau educational activities in the states when Rev. John W. Alvord was appointed Inspector of Finances and Schools. In January 1867, Alvord was divested of his financial responsibilities, and he was appointed General Superintendent of Education.

An act of Congress, approved July 25, 1868 (15 Stat. 193), ordered that the Commissioner of the Bureau "shall, on the first day of January next, cause the said bureau to be withdrawn from the several States within which said bureau has acted and its operation shall be discontinued." Consequently, in early 1869, with the exception of the superintendents of education and the claims agents, the Assistant Commissioners and their subordinate officers were withdrawn from the states.

For the next year and a half the Bureau continued to pursue its education work and to process claims. In the summer of 1870, the superintendents of education were withdrawn from the states, and the headquarters staff was greatly reduced. From that time until the Bureau was abolished by an act of Congress approved June 10, 1872 (17 Stat. 366), effective June 30, 1872, the Bureau's functions related almost exclusively to the disposition of claims. The Bureau's records and remaining functions were then transferred to the Freedmen's Branch in the office of the Adjutant General. The records of this branch are among the Bureau's files.

THE FREEDMEN'S BUREAU IN KENTUCKY

ORGANIZATION

From July 1865 until June 1866, Maj. Gen. C. B. Fisk served as Assistant Commissioner for both Kentucky and Tennessee. Fisk appointed Bvt. Brig. Gen. John Ely to serve as chief superintendent for the Bureau at Kentucky (from March to June 1866). Ely established his headquarters at Louisville, Kentucky, and divided

his operations into five subdistricts: Lexington, Louisville, Northwestern, Southern, and Central. Records relating to Kentucky created prior to Ely's tenure may be included among the files of the Assistant Commissioner for Tennessee.

In June 1866, Maj. Gen. Jeff C. Davis was appointed as the first Assistant Commissioner for Kentucky. Superintendents (or subassistant commissioners) employed under Davis were generally responsible for from 3 to 11 counties, and agents (civilian and military) from 1 to 3 counties. Agents received their orders directly from superintendents, and all superintendents were required to submit monthly reports of their activities to the Assistant Commissioner. Brig. Gen. Sidney Burbank succeeded Davis in March 1867 and was replaced by Maj. Benjamin Runkle, who served from January 1869 to May 1869 as Assistant Commissioner and superintendent of education. In August 1870, when superintendents of education were withdrawn from the states, Runkle served as claims agent for Kentucky until July 1871. H. H. Ray succeeded Runkle as claims agent, and served in this capacity until December 1871. P. J. Overley became the claims agent in January 1872 and remained in this position until the Bureau's operations in Kentucky were discontinued in April. The major subordinate field offices for the Bureau at Kentucky included those with headquarters at Bowling Green, Lebanon, Lexington, Louisville, and Paducah. For a list of known Kentucky subordinate field office personnel and their dates of service, see the Appendix.

ACTIVITIES

While the Freedmen's Bureau did not begin full operations in Kentucky until June 1866, its activities in the state generally resembled those conducted in other Southern states. The Bureau supervised labor contracts between planters and freedmen, administered justice, assisted freedmen in the establishment of schools, helped freedmen legalize marriages, and worked with black soldiers and their heirs in processing claims relating to military service.

The regulation of written labor agreements between planters and freedmen was a major concern of the Freedmen's Bureau. In a circular issued on July 24, 1865 (Circular Number 2), Assistant Commissioner Fisk told his subordinates that for both Kentucky and Tennessee freedmen must be free to choose their own employers and that wages were to be based on supply and demand rather than a fixed rate. Bureau officials were to negotiate and approve labor contracts and enforce violations by either party. Compulsory unpaid labor was strictly prohibited. In some areas of Kentucky, planters refused to enter into written agreements with freedmen, and freedmen themselves were reluctant to enter into annual agreements for fear of being reduced to slavery. However, with strong reservations, Bureau officers negotiated monthly agreements for them but encouraged freedmen to sign annual contracts that offered yearlong employment. Wages for monthly contracts ranged from \$8 to \$10 a month for adult male field hands, well below the state's average wage of \$15 a month for men. However by the summer of 1866, with the Bureau's insistence, adult laborers in the tobacco region of the state received \$25 per month and laborers in the farm belt areas earned \$12 per month. In some Kentucky counties, freedmen

NATIONAL ARCHIVES AND RECORDS ADMINISTRATION

received a third of the crops rather than wages. However, because of the shortage of laborers in the state, freedmen were able to demand higher wages, and thus over time the sharecropping system became less attractive.¹

The Bureau worked to protect the rights and legal status of freedmen, which, despite the ending of slavery by the 13th Amendment, were still endangered by the persistence of the old slave codes. On May 30, 1865, Commissioner Howard issued Circular Number 5, authorizing Assistant Commissioners to establish courts in states where the old codes existed and the right of blacks to testify against whites was prohibited. Gen. Fisk subsequently announced to the citizens of Kentucky that freedmen courts would operate in the state as long as freedmen weren't given the same rights as whites. By 1867, as a result of several Federal court rulings, Bureau courts ceased to operate in Kentucky. When state courts denied black testimony, the agency, under provisions of the Civil Rights Act of 1866, took cases involving freedmen to the U.S. District Court of Kentucky. In instances where freedmen lacked resources to pursue their cases in Federal court, the Bureau provided transportation for witnesses and other forms of assistance. Despite the Bureau's efforts to safeguard rights and secure justice for freedmen in Kentucky, admitting the testimony of blacks against whites still remained an issue in 1869 when Bureau Assistant Commissioners and their subordinates were withdrawn from the states. However, in January 1872, with a change in public opinion and pressure from the courts, the Kentucky State Legislature amended state law and allowed blacks to testify.

When Gen. John Ely began his duties as chief superintendent for Kentucky under Gen. Fisk's supervision, there were 30 freedmen schools and more than 2,000 students. The schools were organized and maintained by black churches, with black clergy as instructors. Freedmen schools faced widespread violence and white opposition, and in many cases, teachers and students were forced to abandon efforts to maintain school buildings. Ely and his subordinate assisted freedmen in reopening schools that had been forced to close.² Under Maj. Gen. Jeff C. Davis, who replaced Ely in the summer of 1866, the number of freedmen schools increased to 54, with some 67 teachers and more than 3,200 students. Excluding the schools established at Lexington and Covington under the auspices of the Cincinnati Branch of the Western Freedmen's Aid Society and the Cincinnati Branch of the American Missionary Association, the freedmen schools were taught by black teachers who were supported by subscriptions from parents and black religious institutions. The Bureau, however, rented the building for the school at Lexington. Under Brig. Gen. Sidney Burbank, who succeeded Davis in March 1867, the number of freedmen schools increased to 96, accommodating about 5,000 students aged 6-18. By

September 1868, in spite of continued violence and opposition, the Bureau had provided support for 135 day schools and 1 night school, serving more than 6,000 students.³

On February 14, 1866, the Kentucky State Legislature passed an act legalizing marriages freedmen had entered into during slavery and authorizing black ministers to solemnize such marriages. Nearly 2 weeks later, on February 26, 1866, Assistant Commissioner Fisk issued Circular Number 5, in accordance with the Kentucky law, directing those freedmen who sought to solemnize a marriage to the county clerk for a marriage license. If the county clerk refused to issue a license, Bureau officials in the subdistricts were authorized to solemnize marriages and issue marriage certificates. Local Bureau officers were required to maintain a register of freedmen marriages and forward a report of such marriages to the Assistant Commissioner at the end of each month. Subordinate Bureau officers were also told to notify persons living as man and wife who had not legalized their marriage, to report to the Bureau to take the necessary steps to do so. Persons who failed to comply were guilty of a misdemeanor and were to be punished by a fine and imprisonment.⁴ This microfilm publication reproduces marriage licenses, certificates, and registers of marriages for the Kentucky subdistricts at Augusta, Bowling Green, Columbus, Cynthiana, Owensboro, Paducah, Mt. Sterling, and Winchester. A single freedmen marriage license and a marriage certificate from Kentucky, filed in the Bureau's headquarters records, has been reproduced on roll 1 of National Archives Microfilm Publication M1875, *Marriage Records of the Office of the Commissioner, Washington Headquarters of the Bureau of Refugees, Freedmen, and Abandoned Lands, 1861-1869*.

In addition to assisting freedmen in solemnizing slave marriages and efforts to sustain the black family, the Bureau helped discharged soldiers, sailors, marines, and their heirs in claims for back pay, bounty payments, and pensions. In accordance with a law passed by Congress on March 29, 1867 (15 Stat. 26), making the Bureau the sole agent for payment of claims relating to black veterans, Bureau disbursing officers assisted freedmen in the preparation and settlement of military claims. In November 1866, in spite of the difficulties in locating veterans who fled the state for fear of violence, Assistant Commissioner Davis reported that he had forwarded more than 260 black soldiers' claims for back pay and bounty payments to Commissioner Howard's office in Washington, DC. In the following year, Assistant Commissioner Burbank reported that his office had assisted nearly 500 veterans with military claims, and in the fall of 1868, for the year ending October 10, 1868, that more than 1,100 received bounty payments through his office.⁵

RECORDS DESCRIPTION

These records consist of volumes and unbound records. The volumes reproduced in this microfilm publication were originally arranged by type of record and thereunder by volume number. No numbers were assigned to series consisting of single volumes. Years later, all volumes were arbitrarily assigned numbers by the Adjutant General's Office (AGO) of the War Department after the records came into its custody. In this microfilm publication, AGO numbers are shown in parentheses to aid in identifying the volumes. The National Archives assigned the volume numbers that are not in parentheses. In some volumes, particularly in indexes and alphabetical headings of registers, there are blank numbered pages that have not been filmed.

The volumes consist of letters and endorsements sent and received, press copies of letters sent, registers of letters received, letters and orders received, registers of freedmen court cases, special orders and circulars issued, registers of claimants, registers of complaints, marriage certificates, and monthly reports forwarded to the Assistant Commissioner. The unbound documents consist of letters and orders received, unregistered letters and narrative reports received, special orders and circulars issued, and general orders and circulars received. The unbound records also contain monthly reports; labor contracts; marriage certificates, and records relating to claims.

Some of the volumes contain more than one type of record, reflecting a common recording practice of clerks and staff officers of that period. On roll 93, for example, the volume of contracts for the Columbus field office also contains a register of marriages. Some other examples of additional series within volumes can be found in records on rolls 106, 123, and 133. Researchers should read carefully the records descriptions and arrangements in the Table of Contents to make full use of these documents.

RELATED RECORDS

In the same record group, RG 105, and related to records of the Bureau's field offices for Kentucky, are those of the Bureau headquarters in Washington, DC, and previously microfilmed records of the Assistant Commissioner and the superintendent of education for Tennessee. These record series are available in the following National Archives microfilm publications:

Records in other National Archives record groups supplement those of the Assistant Commissioner. In Records of United States Army Continental Commands, 1821-1920, RG 393, are records of the military district that included Kentucky. Records relating to employment and welfare of freedmen and abandoned property before the establishment of the Bureau are among Records of Civil War Special Agencies of the Treasury Department, RG 366. The records of the Freedman's Savings and Trust Company, 1865-1874, in Records of the Office of the Comptroller of the Currency, RG 101, contain information relating to former slaves who maintained accounts with bank branches in Kentucky.

The volume listings below show the initial letters of surnames included in each volume. The entries within each alphabetical division are numbered with a separate numerical sequence for each year, but don’t always span the time period listed below.	
	The last three registers, January 1870–April 1872, are arranged by time period. The amount of work required by this Office of
 you is greater than you ought to do without
 some compensation. I have been at a loss
 how to compensate you. You cannot be paid
 out of the Bureau funds, for the same is exhaus-
 ted; and after all I cannot see why the Govern-

 these claims when the claimants ought to be,

 themselves. You are therefore authorized to

I have the honor to acknowledge the receipt of your letter of the 10th inst. in relation to the matter of the W. H. L. Please acknowledge receipt of the letter and send a copy of each contact in relation to the claimants, to the office.

General In reply to your letter of Sept 8. I have
 the honor to state that on Nov 9th 1868, I issued
 cash check No 1354 as U. S. Depositary at Louisville
 Ky for the sum of One hundred & eighty eight
 dollars & fifty cents (\$188⁵⁰) payable to the order of
 Mrs Price Private D 109 Regt C. S. This check I sent
 together with the vouchers to Thomas C. Calvert
 then Cashier of the Bowling Green Bank at Bowling
 Green Ky. The Vouchers were returned duly signed
 and returned, and the check was endorsed and
 collected through the Bank.

I learn upon investigation that previous to the

of the aforesaid check and before the departure of Mr Price from the vicinity of Bowling Green, said Price made an agreement with said Calvert under which agreement Calvert paid certain debts of said Price (Doctor bills &c) and gave him the balance of his claim in money to enable him to go away. Price gave Calvert (as I understand) a Power of Attorney to sign his Vouchers and collect his claim, which was done. Of this Power of Attorney I had no knowledge until long subsequent to the payment of the claim. The above facts are not based upon sworn testimony but such testimony will be procured in case Price denies the allegation. It may be asked why I paid by a check. The reason is, on the 5th day of November 1868 I presented at the U.S. Depository at Louisville Ky a check for Five thousand Dollars. The Cashier stated that he could not pay it. I do not remember his exact words, but he endorsed the check as follows: "Not Available If it

A. A. S. General

Sir,

Referring to your endorsement of Dec 1st 1877
 stating to complain in person the delay in any
 delay of making papers. I have the honor to state
 the delay in returning this case was not occasioned
 by design and no idea of disappointing the views of the
 Hon. Secretary of War or Commissioner was entertained.

It has been my custom when there complaints
 are referred to me, if the case has already been laid
 to report the fact, if not, to pay as soon as
 possible and report the same. It is therefore that the
 difficulty is not in the amount of delay in doing so but
 the way, please, and the intention of the Commissioner

and his staff and doubted it is; but it did not
 seem to me that the War Secretary of War was
 this business especially under his eye did not
 understand these difficulties. This letter was addressed
 to a member of Congress and by him referred to the
 Secretary. There was no endorsement from the War
 Department on the paper and I did not recognize
 the necessity of making this a case of special payment,
 and of making a special explanation and report in
 the matter. To have sent an Officer to make this
 payment specially would cost the Government twenty
 dollars, and I did not think that the exigencies of
 the case demanded the expenditure. Two or three hundred
 other claimants had the same cause to complain of
 me as these two, because I could not attend to all of
 them at once. I have done the best I could to secure
 speedy payment to all without putting the Government
 to extraordinary expense.

I beg leave to refer the Commission and the Secretary

of this is a report signed by ³ Capt. J. R. Lewis M. A. S.,
 Capt. J. R. Haden M. A. S. and myself (which report
 has been printed as a Executive Document, House of
 Representatives, Congress M. A. S. in which report is fully
 set forth the difficulties attending the payment of
 these bounties, the impossibility of satisfying all the
 claimants and the fact that however active and ever-
 diligent an Agent may be, complaints, from the nature of
 things, must still exist. This is a statement of my efforts
 to pay these cases. The case of Martha Eubank was
 received here May 10. 1870. The only letter was received
 from Mr. Anderson was dated May 7. 1870. Payments
 were made at Bowling Green or or about the 28th of May,
 June 28th, August 8th and November 10th. Payments to
 each payee were sent to each claimant, who
 lived away from Bowling Green. These included, for whom
 I had money, that by applying at a specific place in
 Bowling Green between certain dates he would receive his
 money. On neither of the above dates did the claimants

referred to by Mr. Anderson apply. I considered my
 notifications to the claimants sufficient answers to
 letters asking in their behalf for money. The letter of
 Mr. Anderson to Hon. J. A. Lewis &c. was dated Jan
 6th, previous to that of the above stated date of payment.
 I cannot say whether the claimants received the notice
 or not. Large numbers of such notices are returned to
 this office through the Post Office uncollected for. There
 are now on my table two hundred such notices.
 I determined about the first of September to make an
 extraordinary effort to pay all the claims in my posses-
 sion. I accordingly caused to be printed a circular -
 sample enclosed marked A. I sent one of them to the
 Post office address of each claimant - numbers of them
 are returned uncollected for. Sample enclosed marked B.
 I sent one to all the prominent colored ministers and
 schoolteachers to be read in their churches and schools.
 I sent one to each Post Master in the State of Kentucky, to
 be posted up in his office - a number of these are returned

enclosed for. Sample enclosed marked B. I caused
 this circular to be printed in the Louisiana Commercial
 in all the Republican papers in the State. It was copied
 with local notices, in many of the Democratic papers
 and published, with local notices at Evansville Ind.,
 for of charge. I caused to be made out a list of all
 the claims in my possession. Sample enclosed marked
 C. This list I deposited at various places in the State
 so that persons happening in at any of the towns might
 ascertain whether there was anything due them. By
 direction of the Commissioners I sent an officer (Capt. Deane)
 in advance of me to spread this notice in every manner
 possible. This duty was well and faithfully discharged.
 The fact that I paid a very large majority of the
 claims I had in my possession and that thousands
 applied to me for information (the greater number having
 nothing due them, their claims having been discontinued on
 account of their names being entered on the rolls at first
 and the fact that I sent to the Chief of Revenue

Decision the names of several persons as I heard
 they had claims pending, it evident that
 I intended, I paid out about Fifty thousand dollars,
 and among others the two claims referred to by Mr
 Anderson were paid through Capt Graham, and I think
 he returned the vouchers. And I judge from the
 number of people he saw at the office he is
 satisfied that his are not the only claimants to pay.

I have just this moment been handed a letter by
 General Burbridge addressed to him by a named and
 gentleman in Bowling Green which in connection
 with Mr Anderson's complaint of my conduct is highly
 interesting. Special attention is invited to a copy of
 Mr Anderson's Note for part of this money. Letter and
 note enclosed marked **B** and **C**.

The statement that Capt Graham paid the money
 into the hands of Mr Anderson is doubtless incorrect,
 but I will investigate the matter and ascertain.

Very respectfully,

Chlorobutyl Rubber

I have the honor to return herewith the vouchers of Mary Staley & Annie Ritchey with my check for four hundred & fifty three ²²/₁₀₀ dollars the amount thereof, and the voucher of Docia Bowman which I have paid for all which please give me credit.

Your attention is especially invited to the enclosed papers and the endorsement thereon which after making please hand to Mr Dorw Chief of Claim Division to whose office they belong. In the case of Docia Bowman a bargain was made with her by some party in

which she agreed to pay said party Two hundred dollars to get her money. Neither Mr. Hobson nor Mr. Hunter who wrote about the money, has any opinion or knowledge of this bargain. It was simply proposed to me then as it was intended to use our end if the colored people ever made complaint I would have the bag to hold.

It was the same in several other cases in that country and I concluded, after receiving numbers of letters from them on stating that this, that, and another claimant was unable to come to New York for his money, that there was a screw loose; for as long as a claimant can stand up he will go any distance for his money, if he has the least intimation he can get it. I make this statement to show you and the Chief of the Claim Division that I have to be very careful and care makes delays though I know that neither one of you fault with me on this account.

Dear Sir

Letter of Dec 20th has been received. I have also received
 letter from David Murphy on the subject of the
 want of Amariah's jewelry. There is no record
 of it that I find the money sent me for Amariah's
 jewelry to a woman who was identified to me
 as the proper person. I have written to Mr. Murphy
 to this effect and have taken steps to have the
 matter investigated. I have no doubt that the money
 is but insufficient and I am sure she has been paid.
 But I cannot give, and it is the case. You can
 rest assured that the money will be sent out if

This woman has not been paid she shall have

two widows which has frequently been the case

I have the honor to state that we encounter a difficulty in sending colored soldiers to the Asylum which we did not expect. There are parties here who act in a manner that cannot be accounted for in any other way than from the ground of total depravity.

As soon as a poor fellow makes up his mind that he will avail himself of the privileges offered him than he is baited by some vagabonds who tell him hideous stories about jails, guards, Cuba or Africa.

— him out of going. In the mean
time they will do nothing for him here,
and I suppose expect to enjoy the luxury
of seeing him die a slow death of priva-
tion and hunger.

I write this that you may know why so many
change their minds after the transportation
is sent out.

I suggest that a circular giving full
information, explanation &c be issued,

General:

I have the honor to acknowledge receipt of your letter of Jan 1871 in relation to the amount due on School Buildings in Kentucky. The following, which differs from yours \$500⁰⁰, is a correct statement:

Cynthiana	\$1500.00
Hopkinsville	1500.00
Winchester	1500.00
Berea	7000.00
Total	\$11500.00

The Trustees at Berea had a fair notice before they had expended \$2000, if they had that much, and it will be much better to cut them down to \$6500, than it will be to cut Cynthiana down to \$1000. The building at Berea is only requires painting and plastering, and is nearly done, and the Contractor will lose money if he is cut down to \$1000, which is great deal less than

on the building.

My failure to pay for these buildings
will damage my reputation in Kentucky ter-
ribly. The contractor will fail sure.

Perhaps I had better come and do what I
properly can to secure the appropriation
the other contracts will be cancelled forth-
with and the parties notified that we can-
not build.

Sir:

In reply to your endorsement of August 19th 76 referring to this office letter of the Hon. Secy of the Treasury of July 29th 76, submitting for investigation and report case of *Alfred Jackson*, late *Pt C I* *U.S.A.*

Now, I have the honor to state that, on the 2^d of Jan^y last, after failing in every attempt to have the matter investigated by one of my officers without incurring expense to the Government, I wrote a letter enclosing the papers to Mr. John Ireland, Postmaster at Hephthamville, asking him to procure the required evidence and return the papers to me. He returned the papers accompanied with a statement of the case as set forth.

He says: I think the main facts alleged in each case can be proved. That is I think the girl asserting her claim as daughter can prove clearly the facts she states, that her mother, who now lives in this County, was married

"to the deceased soldier, in the manner above said, and they lived
 "together as man and wife for many years during which time the daughter was
 "born. Afterwards he abandoned his family as was usual among soldiers of that
 "class, and married Timmer, the applicant as stated. This marriage was
 "also in the customary manner, without license, and he was too drunk
 "claiming her as his wife when he went into the camp. There are hereby
 "the facts as I am informed. I doubt whether there were any children
 "born of the last marriage.

If the above statement of Mr. Fisher is not satisfactory I will,
 as authorized to do so, investigate the case in person.

Respectfully

Your Obedt Servant

In reply to your letter of the 2nd inst, on
King inquiry in relation to the bounty due ~~you~~ ^{your} deceased

\$1000 was the full amount allowed him on his ^{claim} ~~amount~~
for bounty &c, and the difference between that, and the
\$88.75 was deducted for Attorney and Notarial fees.

The reason of his claim being allowed for only \$100.
is due no doubt to the fact that he was borne

There has been some excitement
 over these cases for the reason that some enterprising
 individual - perhaps our blue grass friend - called on
 them, paid them a large amount of money and
 took their receipts for, I am not aware what.
 If you do not know where he is, please let me know.

- dible manner, and I will take it as a favor if
 you will at your earliest convenience, call on at
 Lowell, take the receipts of the claimants and
 deliver the checks which I suppose Mrs Stillman
 can have cashed for them. Take up the account of
 money paid them by the strange party and leave
 word for him to call on me for the same. You will
 find Mrs Stillman a very estimable woman though she
 sometimes jumps to conclusions erroneous with won-
 - derful alacrity. I will pay your outlay and consider
 the act an obligation to be repaid the first opportunity

I have the honor transmit duplicates of certain vouchers lost. They are witnessed by myself and Mr Stannard who was with me when the payments were made.

If they will answer, retain them; if not, return them to me. This is the best I can do without incurring further expense but if necessary I will incur further expense if I have to pay it myself.

Very respectfully yours
J. B. Agent

General

I have the honor to acknowledge the receipt of your circular letter of 20th inst. and state that it will be explicitly obeyed from this date. We are about opening a political campaign such as never was seen in Kentucky. We will have tremendous Mass meetings all over the State & at these meetings all the colored men will be. My inclination will lead me and my duty as a member of the State Central Committee for the State at large, will direct me to be present. I will there transact or cause to be transacted the business in such manner as to preclude the possibility of complaint. Such an opportunity to see the colored people as never occurred before. I will take advantage of it.

Very respectfully

Sir,

I have the honor to acknowledge the receipt
of your communication, returning answer
in case of Just Supply, Guardian of minor

O. C. & Co., for specification of the
amount of the bond entered into by Mr. Supply
and would state that the commission was not
an receipt - as I did not accept same it
would be deemed necessary, owing to the
fact that but a few days before I left
Washington, I was informed by Mr. A. H.
Thompson, then Chief Clerk, of the Claims

✓ +
 Division, that there was ~~no~~ no law on making of
 the Dept of the Treasury requiring bond in or
 less than the amount of the certificate.
 That the order adopted by the Bureau
 was simply an arbitrary one, not sus-
 tained by law. Remembering this, and
 placing implicit confidence in Mr. Thompson
 general intelligence & knowledge of the law,
 I deemed it unnecessary to pursue the old
 course. — I will at once take mea-
 sures to ascertain the amt of the bond given
 by Mr. Staphy. If it is not sufficient
 will request him to furnish more, tho I doubt
 if I could compel him to do so.

credit. I am informed about this Adeline
was the wife of one David Mitchell - a white
man. If I am not mistaken, she
has a right to prohibit marriage between

Lacks & the Anglo Saxon race: - however -
 I must require you to furnish evidence of
 that marriage - as Adams states that Mr.
 Mitchell was her master - owned her - was his
 servant & he resided in the same house with
 her - The only point at issue, is the
 question of marriage - saying that the
 most positive & explicit evidence is required

Prof. B. Whistler, Esq. & Co. & Co.
 Sir,

Jan 25 1871

Your letter of 20th inst. referring to my application as agent of the Bureau for the payment of claims, will afford me greater pleasure than the former your suggestions as to the manner of paying families, which is the one but business method out, and determined to one of appointed time; and although such a one necessarily order payment in some cases, I believe this the only one of protecting both myself and the Bureau.

Will it be necessary in all cases to ask for Travel money before making journey, or can I make a journey and get an order to cover it afterwards? I ask this for the reason that it will be difficult to determine beforehand the exact points necessary to visit, as many of the claimants are constantly changing their place of residence, and

The order, if issued before, would probably not
cover any of the printer. But I think that there
is not formally enough any proposition to
move into the Archbishop's house, owing to its present
location and the great amount of room it occu-
pies, and I believe undoubtedly having a change
made in it, etc mentioned the necessity of my
having a messenger in the office. This is a
necessity as long as I have my office outside the
wall. I think one who will be expected to
be a whenever called on, and a good rehabilitator
by, who will be able to read and write, give
information in my absence, can be had for
about \$100 per month. I shall now I will make
a formal request.

As you say I may have many difficulties
in the management of affairs here, but will
do the best I can. I have just entered
upon the duties of my new office with

the expectation of having a hard time but
hope by perseverance, and a strict adher-
ence to the interest of the colored people, to
succeed in my undertaking.

In making up my statement of funds for the week I have included the sum of Six hundred and 87/100 Dollars due from the Chief Disbursing officer. This amount I receipted to Mr Ray for, and is in payment of the following cases sent him without funds, viz:

Ann Wright, widow of James H. Smith a.C. 13 H.C.	827.32
Jos. A. Garin, brother of Henry Garin, C.D. 116 C.D.	72.62.
Truckers in these cases were returned to the C.D.C. by my business on Dec 28 th 1877 with the request that check for the amount be made payable to my order, as he had paid them out of funds in his possession.	

The check has never been received by me. I accordingly re-

General:

I have the honor to enclose herewith communication of the Hon. Second Auditor, in reference to the suspension of claim for Bounty, &c. in case of George Fiqua, dead, late Capt. U.S.A., together with the affidavit of Charles Fiqua claiming as brother of dead, and respectfully invite your attention to the foregoing statement of facts in the case. On the 28th of July last my predecessor, Mr. Day, addressed a communication to Genl. E. Wright, Esq. Assistant Secy. of War, the following is a true copy:—

I am informed by the Hon. Secy. of War that you have filed a claim in behalf of

of Mary Brothers, claiming to be the mother of George Tugua, died, late of Co^d 115 U.S. C.T. Said claim is contested by Charles Tugua of this City, who states that Peter Tugua, his mother and mother of deceased soldier, died in 1854. You will please forward to me such additional evidence as you may wish to file, stating to whom Mary Brothers and deceased soldier formerly belonged.

To this letter no reply was received, and Charles Tugua having called at this office and stated that he had been to Russellville, but failed to see the woman claiming to be the mother of the deceased soldier above referred to, or elicit any information from Mr. Knight upon the subject, Mr. Ray again addressed that gentleman on the 18th of August, as follows: (over)

I have the honor to invite your attention
 to my letter of the 28th ult., in reference to the
 case of George Fuqua, decd, late of C.D. 11545.
 C.D., to which no reply has yet been received.
 If the evidence you may desire to file is not
 furnished soon I will be obliged to report
 adversely to your client.

No reply having been received to either of
 the above letters (and Mr. Hight has been corre-
 sponding regularly with this office in re-
 gard to other matters) I am forced to the
 conclusion that Charles Fuqua, who has the
 reputation of being an honest upright
 young man, is entitled to the Bounty as
 brother of George Fuqua, C.D. 115th used.

General: I have the honor to return herewith papers in the claim for pension of Betsey, mrs. of Doctor M. Clerk Jr. (decd), and respectfully invite your attention to the enclosed letter from D. H. Lafollette of the 11th inst, and the following report:

The Floyd County (Ind) records show that on the 9th Decr 1865 Doctor M. Clerk in Sr., father of Doctor M. Clerk Jr (decd), and husband of Betsey M. Clerk, bought fifteen (15) acres of land in said county for which he paid \$500⁰⁰. This land is unincumbered and now the property of said Betsey M. Clerk & her children. Again, on the 25th of September 1867, the husband of said Betsey M. Clerk purchased

of John A. Gray and wife twentyfive
 (25) acres of ground, for which he agreed to
 pay \$1000⁰⁰. (Deed Book vol 5 p 742 same County.)
 Of this amount about one half has been paid,
 the mortgage on the property foreclosed by
 Mr Gray, and Peter M. Clerklin will be al-
 lowed one year in which to pay the balance
 due - \$500⁰⁰. This she states she will be able
 to do with the aid of her children (who I un-
 derstand are on the river and all doing well),
 and "could pay it without any trouble if some
one hadn't stopped her pension!"

John A. Gray, above mentioned, sold
 the twentyfive (25) acres for \$1,000⁰⁰, and then
 makes affidavit (herewith returned) that it
 is worth "about \$500⁰⁰", upon which there
 is a mortgage (he holds it) of \$500⁰⁰!

It appears from all that I can learn
 that Mr Gray is extremely anxious to have

✓
 the pension claim of Peter H. Clerk
 allowed in order that he may get the bal-
 ance due on the property deeded by him
 to her husband.

I am satisfied that the husband
 and not the son contributed to the support
 of claimant, and that she is not entitled
 to pension on his (the son's) account.

Very respectfully

Dear Sir

It has come to my knowledge that Mr S. S. Hager has been making violent charges against the Bureau Officers, and among other things went to my residence and used language undoubtably intended to cause them to withdraw. Of course this had no effect, and personally I care nothing for his idle talk, which, so far as I am concerned, is the result of my positively declining to accede to his earnest request that I pay bounties through him to certain claimants in Marion & adjacent counties. Here there is no other reason your express order respecting payments would be enough, but were instructions otherwise I would not select him as proper person for such a delicate and responsible duty.

My excuse for mentioning to you such an insignificant matter is my wish to prepare you

for any alterations which may come from that direction,
Very truly yours.

General:

You will observe by reference to my reports that the amount disbursed on account of Pouches for the month of January 1872 is very small - much less I presume than the average monthly disbursements by this office heretofore. This is owing in a great measure to the inclemency of the weather, which has precluded many claimants, not accessible to Rail Roads, from coming to my office, and I cannot hope to do much better until spring opens, or the weather

moderately considerably—

There are many Claimants who are supposed to reside in this city and near here, and for whom I have made diligent inquiry, but not finding them I concluded to publish their names in the daily Commercial (which was done this morning free of charge), and requested the ministers of the Colored churches in the city to announce the same to their congregations— By this means I may succeed in paying off a few of these cases, which have been on hand a long time. If I fail, the fault is not mine. I am also collecting information relative to the whereabouts of Claimants living in the interior of the state, and whose names are in my hands, in order that I may be

prepared to find and pay them when
I have a sufficient number at any
one point to justify a trip.

Major: I have the honor to return here -
with unpaid Bounty vouchers in eighty (81) cases.
Together with a list of the same
for which I am responsible.
This comprises all the unpaid cases at this
date.

Very respectfully,
J. J. Overly
Agent &c.

Washington, D.C.

Sir:

I have the honor to acknowledge herewith my check
\$10.25 on the U.S. Depositary in this city payable to
your order for the sum of thirty-four ¹⁰⁰/₁₀₀ dollars, being
balance to my credit for the payment of Bounty.
I have been compelled to turn away many claimants
(whose vouchers are in my hands) during the past
year for want of funds to pay their claims, while
at times I have been literally besieged by parties
desiring information relative to the status of their
claims for Bounty.

You will observe a difference of \$3.02 between the
amount on the enclosed check and the balance on my
Report of Receipts & Expenditures - a discrepancy readily
explained: My predecessor Mr. Ray transferred to me
on the first of the year, in excess of the amount

✓
 called for by vouchers turned over at the same time, \$2.99.
 As on the 2^d of January I received from the Court
 check #2716 payable at atkins for \$156²².
 This the Depository has declined to accept, and was
 compelled to have it cashed and deposit the amount \$156.²⁵—
 three cents more than I was entitled to a credit for.—

Very respectfully,

Yours obly servt.

General:

I have the honor to state that
The lease on the building occupied but
used as an office for the Bureau R. & A. and
A. B., expires on the 30th day of this month.
To which time I will be compelled to pay
rent. I cannot complete my records in less
time as I am alone in the office and much
back work which I desire to bring up. To
do this I will give my services gratis after
the 15th inst. as I respectfully request authority
to continue my office until the 30th inst.

✓
and trust you will grant this request, otherwise I will have a half months rent to pay out of my own pocket, which I assure I can very afford to do.

I give my services gratis after the 15th inst for the reason that I have been short for employment in this quarter after our own. I have been too long identified with the Humane Bureau to expect much here outside of a Greek office.

Very respectfully
 Yours &c &c
